

Safety Updates

Recent Update from the CDC—How to remain safe this Thanksgiving

Lower Risk Activities

- Having a small dinner with only people who live in your household
- Preparing traditional family recipes for family and neighbors, especially those at higher risk of severe illness from COVID-19, and delivering them in a way that doesn't involve contact with others
- Having a virtual dinner and sharing recipes with friends and family
- Shopping online rather than in person on the day after Thanksgiving or the next Monday
- Watching sports events, parades, and movies from home

Moderate Risk activities

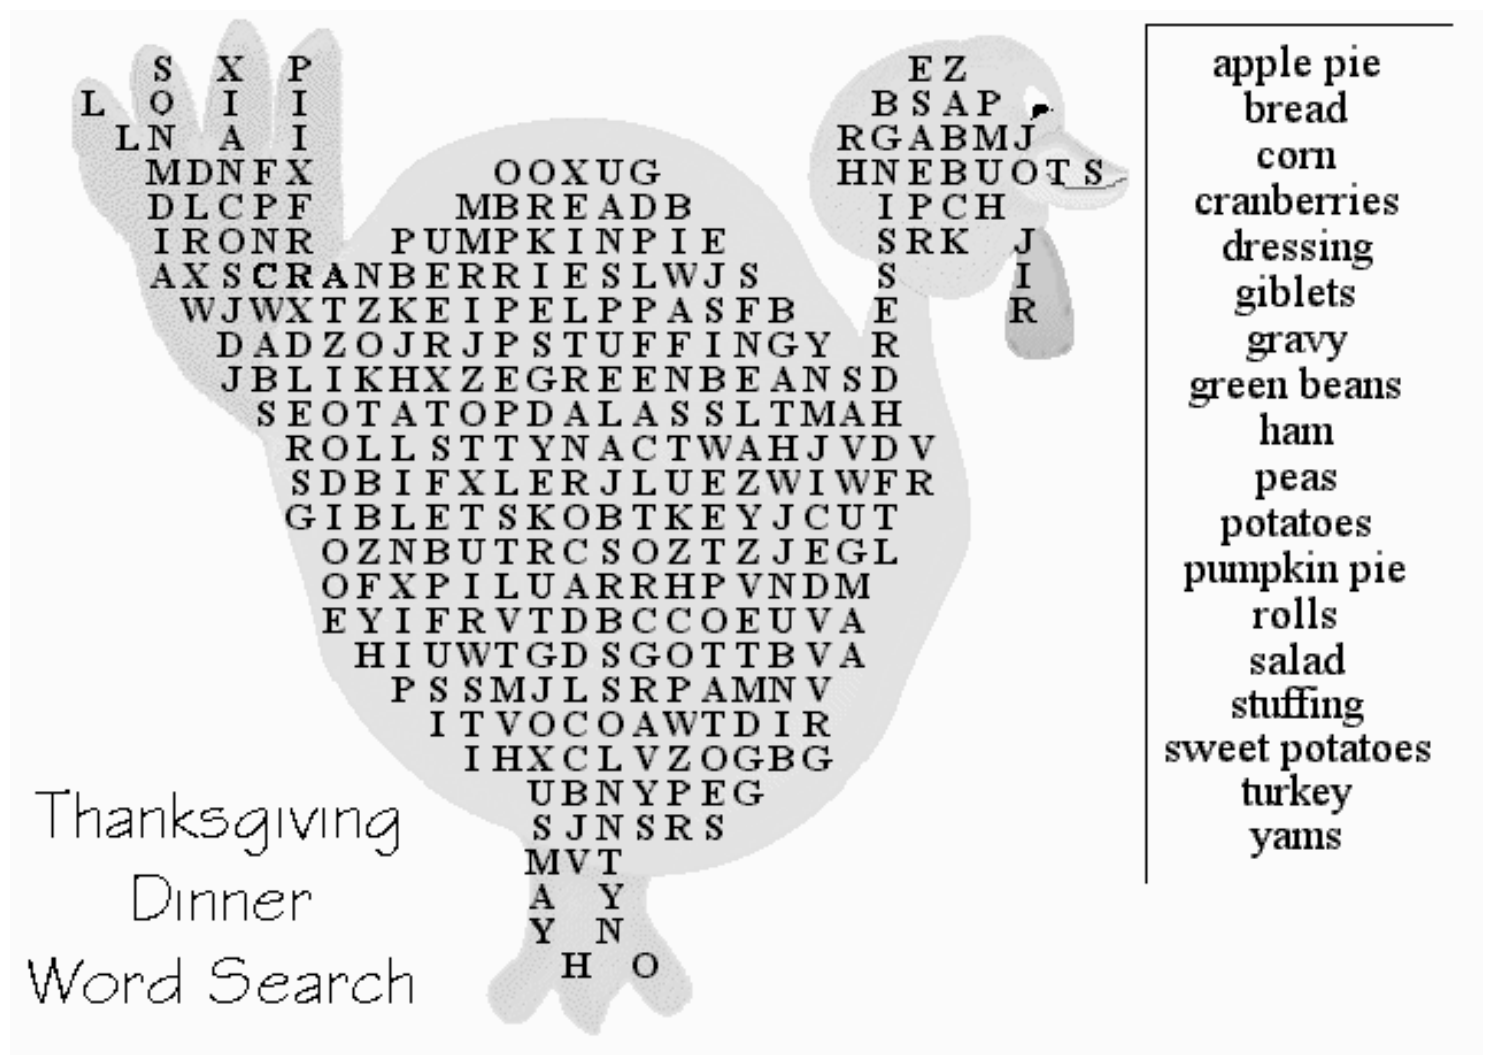

- Having a small outdoor dinner with family and friends who live in your community
- Lower your risk by following CDC's recommendations on hosting gatherings or cook-outs.
- Visiting pumpkin patches or orchards where people use hand sanitizer before touching pumpkins or picking apples, wearing masks is encouraged or enforced, and people are able to maintain social distancing
- Attending a small outdoor sports events with safety precautions in place

Higher Risk Activities

- Avoid these higher risk activities to help prevent the spread of the virus that causes COVID-19:
- Going shopping in crowded stores just before, on, or after Thanksgiving
- Participating or being a spectator at a crowded race
- Attending crowded parades
- Attending large indoor gatherings with people from outside of your household
- Using alcohol or drugs that may alter judgment and make it more difficult to practice COVID-19 safety measures.

Updates

Bath Housing is fortunate to have many community partners that help support food security for our residents in many different ways.

This Thanksgiving we are so grateful to be a part of this caring community!

Community Updates

Thank you to the Bath Area Food Bank, The Salvation Army, Cooking for Community/Mama Mo's, The Merrymeeting Gleaners, and MOFGA Volunteers, for standing by us during the pandemic.

And of course for our four legged friends, DogWill!
