

Maine Section 8/HCV Centralized Waiting List

PUBLIC NOTICE

Attention Applicants on the Maine Section 8/HCV Centralized Waiting List:

This is to notify you that your application on the Maine Section 8/HCV Centralized Waiting List (Maine CWL) will now be accessible using a new software provider. At the same time, the 20 participating Public Housing Authorities (PHAs) on the Maine CWL are requesting an update to your application. To remain on the waiting list, you must update your current application and provide more information about your household.

**THE DEADLINE TO UPDATE YOUR APPLICATION IS:
JANUARY 1, 2022**

Per Maine CWL policy, it is your responsibility to inform the Maine CWL participating PHAs of any changes in contact information, income, household composition or any other information on your application. **Failure to provide information or respond to update requests will result in your application being removed from the waiting list without further notice.** If you would like to be removed from this waiting list, you may do so online or simply do not respond to this update request and your application will be automatically withdrawn.

How to update your application online:

1. Visit www.AffordableHousing.com/Update on your computer, tablet, or smart phone.
2. Click on “**Update Application**” and then choose “**Sign Up**” and follow the prompts to create an account. **You must create a new username on AffordableHousing.com to access your application, your previous username and password will no longer be valid.**
3. Once you complete the sign-up process, click on “**Update Application**”, and enter your information to view and edit your application and complete your update response.
